AMENDMENT AND RESPONSE TO OFFICE ACTION

This Amendment is offered in response to the Office Action issued in the above-referenced patent application on September 15, 2004.

Please amend the claims as follows:

In claim 1, line 14, add “,the second airflow creates a lift, the lift comprising lift generated by a Bernoulli principle acting on the wing” after the word “increase”.

In claim 18, line 17, add “,the second airflow creates a lift, the lift comprising lift generated by a Bernoulli principle acting on the wing” after the word “increase”.

In claim 19, line 15, add “,the second airflow creates a lift, the lift comprising lift generated by a Bernoulli principle acting on the wing” after the word “increase”.

In claim 35, line 21, add “,the second airflow creates a lift, the lift comprising lift generated by a Bernoulli principle acting on the wing” after the word “increase”.

The claims as they now stand in the subject application are listed below.
